

Telegate

Tomorrow's Technologies Today

www.telegate.com.au

Do you tick any of these boxes?

"I want to save money on my telecoms!"

You just know you are being charged too much for the service you get.

- ▶ **Telegate delivers** our customers an average of 40% on your call costs. Fact.

"I want big business features at a small business price"

You want great features without spending a fortune.

- ▶ **Telegate delivers** Voicemail to Email, Automated Reception, Call Recording, the flexibility to grow and shrink with your business, the ability to use your network anywhere in the world and so much more.

"I want to be treated like a valued customer"

You are sick of dealing with offshore call centres, of speaking to people that just cant help, of long wait times, and unresolved issues while you're shuffled between departments.

- ▶ **Telegate delivers** Australian based technicians on standby to help with any requests with calls answered within 30 seconds.

BIG SAVINGS • BIG BENEFITS • GREAT SERVICE

- ▶ Put Telegate to the test.
- ▶ Let us do a Bill Analysis for you - no charge, no obligation.

If we cant save you money or give you a better solution, we wont waste your time.

If we can, a trusted Dealer Partner will guide you through next steps.

Let's do a quick comparison

	Traditional Phone Company	TELEGATE	You Save
Monthly Access Fee	\$41.95	\$12.5	70%
Number of Concurrent Calls	1	Unlimited	100%
Call Connection Fee	STD 45 cents	Zero	100%
Calls to Local Numbers	22 cents per call	10 cents untimed	60%
Calls to Mobiles	35 cents per min	15 cents pm	51%
Calls to National STD Numbers	24 cents per min	10 cents untimed	58%
Calls to 1300 Numbers	30 cents per call	25 cents per call	17%

"As one of Vodafone's largest premium partners we rely heavily on our communications platform. It is business critical that our call centre solutions are robust and of the highest call quality. As a long-term customer, I have no hesitation in recommending Telegate as a telecoms provider with great reliability, excellent customer service and technical products that you can depend on".

Sales Director, CommsDirect, Sydney NSW
